

**This policy outlines our commitment to ensuring that your privacy is protected. The Write About This app does not use or collect information. The app is entirely self contained and does not communicate or transfer any information outside the device.**

There is no data transferred off of the device unless a user shares their own creative writing (Write About) via the share by e-mail feature.

## **What we collect: Nothing**

We do not use technologies like cookies (small files stored by your browser), web beacons, or unique device identifiers to anonymously identify your device.

We do not collect personally identifiable information about you. In other words, we do not collect information such as your name, address, phone number or email address.

**We do not collect personal information from children under 13.** If you believe we have inadvertently collected such information, please contact us so we can promptly obtain parental consent or remove the information.

**We do not use or collect your precise geographic location.**

**We do not collect any personally identifiable information, such as your name, email, address or phone number.**

Our app is entirely contained within the device it is installed on. There is no data transferred off of the device unless a user shares their own "Write About" via e-mail.

**We do not obtain, or share, personally identifiable information (such as name, address, email or phone) with other companies.**

**We do not allow advertising companies to collect data through our service for ad targeting.**

**You can ask privacy questions.**

If you have any questions or concerns about our privacy policies, please contact us:
